

Students registered with the University have access to the **Online Library** (*with millions of e-journals & e-books*) & to what is known as the **VLE** (*see more info below*) & to newsletters, forums, blogs, Laws Facebook etc.

Our “**COURSEWEB**” (i.e. this site which is our **Student Portal**) also offers to **registered CfPS Students** a huge collection of notes contributed by our lecturers, access to formative quizzes, & forums (*for on-line discussions*), as well as other information on timetables, upcoming events etc.

Student VLE

Welcome to your Virtual Learning Environment (VLE)

Your VLE forms an important part of your study experience with the University. It has been designed to support you while you are studying and to help you meet fellow students. The VLE provides:

- Electronic study materials
- Student discussion forums
- Past examination papers and Examiners' commentaries

Additionally some VLEs may include:

- Video material
- Debates
- Recorded lectures
- Self-testing activities
- Study skills

To access your VLE please use the '**Access to VLE**' link on the right hand side of this page. Please note: your VLE will open in a new window.
